

My Forever Family

A decorative horizontal line with arrowheads at both ends. In the center of the line, there is a small black dot flanked by two double-headed arrowheads pointing towards each other.

How to create a family dot page:

- 1) Cut along the lines to create a straightedge tool and circles.**
- 2) Use the tools to draw your family's structure. The circles represent each family member. Use the straightedge to connect family members.**
- 3) Display your beautiful family picture!**
